

My Health Record Overviews, Guides and Conformance Material Release Note

24 November 2025 v2.0
Approved for external use
Document ID: DH-4191:2025

Related end product identifier: EP-4190:2025

Release rationale

The purpose of this maintenance release is to incorporate minor editorial updates to the following documents. These changes are intended to improve clarity regarding processes, requirements, and formatting. The intent of the requirements from the previous versions remains unchanged.

Revised documents:

- My Health Record Connecting Systems Security Conformance Profile v1.0.1
- My Health Record Connecting Systems Security Conformance Test Specification v1.0.1
