Australian Immunisation Register Release Note

21 December 2017 v1.0
Approved for external use
Document ID: DH-2607:2017

Related end product identifier: EP-2606:2017

Release rationale

The Australian Immunisation Register (AIR) captures vaccinations given to people of all ages in Australia through general practice and community clinics. The **AIR** is administered by the **Department of Human Services**.

Since 30 September 2016 the AIR has become the successor of the previous **Australian *Childhood* Immunisation Register (ACIR), which only covered vaccinations given to children.**

This is the first release of the AIR end product, providing specifications of the Australian Immunisation Register document type.
