

# Common – Continuity of Care v1.0.1

## Release note

14 October 2013

Approved for external information

### Summary

EP-1458:2013 Common – Continuity of Care v1.0.1

This end product contains FAQs that are common to NEHTA's continuity of care end products.

### Release rationale

This incremental release includes:

- an editorial fix to *FAQ Undifferentiated Pathology and Radiology Results* to correct two transposed cells in a table. All other content in the FAQ remains unchanged.
- removal of version 1.0 of *FAQ Global Statements None Known*. This is no longer required since version 1.1 was published simultaneously.
