

Digital Health Icon Library

Release Note

8 June 2018 v1.0
Approved for external information
Document ID: DH-2709:2018

Related end product identifier: EP-2704:2018

The icon library is available as a resource for developers and implementers of digital health solutions and other interested parties.

The digital health icons are user-friendly designs that represent the human nature of the healthcare sector. The icon library outlines the standard look and presentation of each icon to maintain brand integrity.

Release rationale

This is the first release of the icon library and includes the Creative Commons Legal Code v3 licence agreement in full and in summary format.

Package inclusions

New

Identifier	Name and version
DH-2709:2018	<i>Digital Health Icon Library - Release Note v1.0</i> (this document)
DH-2706:2018	<i>Digital Health Icon Library – Icon collection v1.0</i> (includes licence)
DH-2705:2018	<i>Agency Icons v1.0 - Category Overview</i>
DH-2710:2018	<i>Agency Icons Style Guide v1.0</i>

Scope

The icon library allows users to apply a consistent visual theme across all My Health Record applications. It also significantly reduces the workload required for developing customised graphic design artefacts.

Stakeholders

The updates in this release of the end product did not warrant any stakeholder consultations.

Audience

The audiences for this release are:

- Developers requiring graphic design resources for the development of applications
- Implementers of digital health solutions and others engaged in the digital health community.

Support

For further support or to provide feedback, please email help@digitalhealth.gov.au

Future releases

Further changes may occur from time to time in accordance with customer feedback or changes to source information. Supplementary guidance may also be provided from time to time based on implementation experience from vendors.
