Future releases

Future releases will reflect any changes required to HI Service Conformance collateral.

Previous releases

Date	Version
31/10/2014	Healthcare Identifier Service Support Documents – v 1.2 – EP-1826:2014 This end product has been renamed to Healthcare Identifiers Service Support Documents to avoid confusion with the DHS Medicare Healthcare Identifiers Service and to provide a more accurate description of its contents.
24/03/2014	Healthcare Identifier Service Support Documents – v 1.1.3 – EP-1653:2014 This release of the Healthcare Identifiers Service end product removes the developer resource product components and related product data sheets. These have been republished in a new end product,
24/02/2014	Healthcare Identifier Service Support Documents – v 1.1.2 – EP-1645:2014 This release enables software to be designed and tested for the appropriate use of new B2B webservices for searching/validating HPI's in the HI Service (instead of the HPD).
26/09/13	Healthcare Identifier Service Support Documents – v 1.1.1 – EP-1472:2013 This incremental release publishes a product data sheet for the HI client library.
