

Provider Connect Australia – Business Partners Release Note

16 September 2022 v1.0
Approved for external use
Document ID: DH-3647:2022

Summary

EP-3687:2022 PCA – Business Partners Conformance V1.0

The Provider Connect Australia document library contains documentation and other resources related to software conformance requirements for business partners to integrate their software with the PCA solution. It is updated on an as-needed basis, when new or updated resources become available, or when existing resources need to be withdrawn.

New Release

*Provider Connect Australia – Business Partners
Implementation Conformance Statement V1.0*

This document specifies software Implementation Conformance Statement (ICS) for Business Partner Integrated Systems connecting to the Provider Connect Australia (PCA) solution. A developer who wishes to claim that their software conforms to the requirements for connecting to the PCA must complete this ICS to indicate which requirements are satisfied by their implementation.

*Provider Connect Australia – Business Partners
Conformance Profile V1.0*

This document specifies Conformance Requirements for Business Partner integrated systems connecting to the Provider Connect Australia (PCA) solution.

These requirements are used to assess systems for conformance to help minimise risks to information privacy and security, while maximising the benefits of connecting to the PCA

Document history

The following table provides an overview of updates to resources over the previous 12 months.

Date/Version	Change	Document
16/09/2022	Release	Provider Connect Australia – Business Partners Implementation Conformance Statement V1.0
