

My Health Record Overviews, Guides and Conformance Material Release Note

19 December 2022 v1.6
Approved for external use
Document ID: DH-3649:2022

Related end product identifier: DH-3613:2022

Release rationale

This release of the My Health Record Overviews, Guides and Conformance Material have been updated to include the newly released *Security Requirements for Connecting Systems Conformance Profile v1.0*. The security profile boosts cyber-security defences for clinical information systems connected to the My Health Record system.
