My Health Record Overviews, Guides and Conformance Material Release Note

28 February 2025   v1.9
Approved for external use
Document ID: DH-4115:2025

Related end product identifier: EP-4116:2025

Release rationale

This release of the My Health Record Overviews, Guides and Conformance Material has been enhanced to include new documents namely:

- My Health Record Connecting Systems Security Conformance Profile - Conformance Test Specification v1.0 and

- My Health Record Connecting Systems Security Conformance Profile - Guidance on Penetration and Vulnerability Testing v1.0.

The release also consists of revised documents, all of which provides support and guidance about the implementation of My Health Record Connecting Systems – Security Conformance Profile v1.0 which is intended to boost cyber-security defences of clinical information systems connecting to My Health Record System.

Revised documents are:

- My Health Record System Conformance Assessment Scheme v2.0

- My Health Record Connecting Systems - Conformance Profile v1.6

- My Health Record Connecting Systems – Conformance Test Specification v1.7

Package inclusions

New

Identifier	Name and version
